#2 -Helping New Homebuyers with FHA Mortgage Savings

BIDEN-HARRIS ADMINISTRATION TO SAVE FHA HOMEBUYERS AVERAGE \$800 ANNUALLY ON MORTGAGE PAYMENTS THROUGH PREMIUM REDUCTION

30 basis point reduction in FHA annual mortgage insurance premium supports Biden-Harris Administration goals to make homeownership more affordable and accessible for working families.

WASHINGTON - Today, the Department of Housing and Urban Development (HUD), through the Federal Housing Administration (FHA), announced a 30 basis point reduction to the annual mortgage insurance premiums (annual MIP) charged to homebuyers who obtain an FHA-insured mortgage. Vice President Kamala Harris and Secretary Marcia L. Fudge made this announcement in Bowie, MD. The premium will be reduced from 0.85 percent to 0.55 percent for most homebuyers seeking an FHA-insured mortgage, which could mean an estimated savings of \$678 million for American families in aggregate by the end of 2023 alone. The reduction will benefit an estimated 850,000 borrowers over the coming year, saving these families an average of \$800 annually.

#3 - Resident Though

Banning Books

This is a path we want to avoid.

History has seen banning books and free thinking leads to archaic societies' downfall.

In the 1200s the barons rose up to force the English King John to sign the Magna Carta which led to instituting the English Parliament and written laws countering the whims of a ruler.

The Declaration of Arbroath asserted Scotland's status as an independent sovereignty and ability to use military force when unjustly attacked.

These two documents as well as books of free thinkers from earlier eras were instrumental in the writing of the Declaration of Independence of 1776 leading to the United States of America.

It is through writing down thoughts and feelings in books that society makes progress and changes for the betterment.

And yes the USA has a dark past, but, we have made changes at great cost and we must continue this path forward.

The City of South Fulton Continues Renovations and Improvements at Burdett Recreation Center

(CITY OF SOUTH FULTON, GA – March 29, 2023) – The City of South Fulton is proud to announce that the Council has approved a request to enter into an agreement with Osprey Management for external facility renovations and site improvements at Burdett Recreation Center. The work covers a three-phase approach to upgrade the facility: 1) Interior renovation, 2) exterior renovation 3) site improvement, and is scheduled to start mid-late April.

Public Works Director Antonio Valenzuela stated, “We are very proud to be able to invest in the community and make these improvements that will benefit our residents.”

The City of South Fulton is committed to providing quality services and amenities for its residents, and this project is just one example of the commitment they have made towards improving the quality of life in their community. We look forward to seeing the positive impact these renovations will have on our city!

#5 - Code Enforcement Update

Good Afternoon All

We are excited to share with you our first annual Code Enforcement Year in Review (attached below), which highlights some of our accomplishments, initiatives, and community outreach for 2022! We would love for you to share with the elected officials and place in your newsletters so the community can be aware of, and involved with, what we do as a TEAM.

We also have a second important request: Our Code Enforcement Department is being nominated for National Department of the year and I am also being nominated

for Director of the Year. Both of these nominations are through AACE (American Association of Code Enforcement). This is a the national organization for Code Enforcement and it would be a GREAT honor for us and the city if we were to bring these awards back to COSF. With that said, community feedback is key in determining the winner, and we humbly ask that each elected official write a letter of support for the team and individual awards, and ask the community to do the same. It does not have to be long; a paragraph or two will go along way!

All letters of support may be sent to Tangela Mott email: tangela.mott@CityofSouthFultonga.gov

Thank you in advance!

Immediate Help!

City of South Fulton New 988 Suicide Prevention Line Launches July 16

Dial 988

Every 11 minutes, someone in the United States dies by suicide.

According to the U.S. Centers for Disease Control and Prevention, suicide is the second leading cause of death among young people. To help change those numbers, the U.S. Department of Health and Human Services (HHS) is creating a dedicated three-digit dialing code - 988 - providing easier access to services.

“We see a number of suicides every year, as people feel helpless in trying to cope with difficult issues,” said City of South Fulton Fire Chief Chad Jones. “By providing quicker and easier access to counseling and other services, we actually will save lives.”

After its launch on July 16, callers dialing 988 will be connected directly to the National Suicide Prevention Lifeline. Trained counselors will listen, understand how their problems are affecting them, provide support and connect them to resources. The code will be accessible by a call, text, or chat.

Register Your System to Help Cut the Number of False Alarms

False alarms create an unwanted distraction for public safety officers.

In the city of South Fulton, as much as 96 percent of the 10,000 calls the city receives each year turn out to be false alarms. Each call can require 20 to 30 minutes to investigate.

A year ago, the city launched a false alarm reduction program, including a registration process and penalties for repeated false alarms.

FULTON ALERT COMMUNITY NOTIFICATION

The Fulton County Department of Senior Services has launched its AmeriCorps Senior Companion Program to provide eligible seniors aged 55 years old and above with high-quality volunteer support.

Through this program, AmeriCorps Volunteers will provide supportive, individualized services for Fulton County senior residents who live independently and may have difficulty completing daily living tasks. As such, volunteers will be matched with seniors to ensure they can live in their own homes for as long as possible. To improve social connection and reduce isolation among seniors, each volunteer will provide five to twenty hours of service per week.

AmeriCorps Volunteers are eligible to receive a stipend for their services if they meet age and income eligibility requirements. Anyone interested in applying to become a trained AmeriCorps Volunteer should contact the Fulton County Senior Services STARline at 404-613-6000.
